

Welcome to our third village garage sale day. Last year was a great success for the stall holders and bargain hunters alike. So why not hop on your bike or take a stroll around the village and pick up a few bargains on the way?

Households from Chidham and Hambrook will be clearing out their garages and sheds to offer you bargains galore.

If you haven't registered and would like to take part, the village hall has been kindly made available on The Main Road for you to use on the day-set up available from 12 noon.

It's all about reuse and keeping good stuff out of landfills and having fun!

Take lots of change, an empty bag for all your goodies and go meet your neighbours.

The Chidham and Hambrook village garage sale is a web site initiative in association with the Chidham & Hambrook Sustainability Network.
