Layout is indicative only. Density and type of housing to be determined.

CONCEPT DIAGRAM

Located in between Hambrook and East Nutbourne settlements, the site sits in the middle of the existing ribbon development along Broad Road.

The Havenwood Nursery site offers an opportunity to build much needed housing on previously developed land and providing a new Village Hall.

Policy R3 - Village Hall. Growing community has resulted in the current Hall simply being too small to cope. This strategic location would

offer appropriate facilities for such a Hall in addition to providing a mixture of houses and live work units and much needed affordable units as well.
