206-16 Co-option of New Parish Councillor

The Chairman thanked both candidates for attending the Meeting and for expressing interest in becoming a Parish Councillor. Representations were made by each candidate in turn.

The Parish Council agreed to waive standing orders and to hold a secret ballot to elect the new Parish Councillor. As the outcome of the secret ballot was a tied vote the Chairman used his casting vote to elect Mrs Rachel Perri. The new Parish Councillor signed her Declaration of Office and joined the Parish Council for the rest of the Meeting.

207-16 Public Forum

The Clerk had received an email from a resident of the Parish, who was unable to attend the Meeting in person due to work commitments, expressing concern that the new ticket machine at Nutbourne station had been vandalised and asking how the Parish Council would be responding to this matter. It was acknowledged that this was a regrettable act of mindless vandalism and opinion expressed that hopefully it was an isolated incident. It was noted that there is a CCTV camera in place and that this was a matter for Southern Rail to investigate in conjunction with the British Transport Police.

208-16 Reports

a) Chairman of the Parish Council's Report

The Chairman expressed sincere appreciation and thanks on behalf of the whole Parish Council to Myles Cullen for all his considerable work and efforts whilst in post as District Councillor. Mr Cullen sadly had to step down on health grounds.

The Chairman reported that the Chidham Lane Sign at the junction with the A259 that had been in a dire state of repair had now been replaced. Thanks were expressed to the District Councillors for expediting this work. It was noted that the Hamstead Meadow sign still needed replacement and a request was given to the District Councillors to progress this.

The Resident's Association (CHANE) were thanked for organising its much-welcomed and very well attended Village Open Day which was held at the beginning of March. It was estimated that approximately seventy residents attended the event. It was noted that the Parish Council had a large stand which was busy for the full five hours of the Open Day. Its displays included:

Copies of the Neighbourhood Plan; Two large maps of the Parish; Plans of the upcoming Open Spaces in Broad Road, Hambrook; Information displays on the work of the Parish Council, community orchards and allotments in Broad Road; New Bus Shelter on A259; New Defibrillators for the Parish; Public Art Funding Proposals including example photographs and a request for suggestions for Public Art in the Parish; New Homes Bonus Funding request for suggestions and Notice of the Parish Councillor Vacancy with Invitation to Potential Co-optees. Thanks were expressed to the Parish Councillors for making the Council's presence a success.

The Chairman had circulated a report with the Agenda identifying progress with Chidham Lane Tidebank Repointing and White Cottage Drainage Works (see Appendix I). In addition to his report the Chairman noted he would be closely monitoring the White Cottage Drainage Works as they progress alongside the Parish Ditch Warden, Robin Yeld. Paul Cann, Senior Engineer Arun District Council, had also confirmed that he would be keeping a close watch on the construction work as he had drawn up the initial design and had waived the need to pay for a Land Drainage Consent Application under the Land Drainage Act 1991. The Chairman reported that he had attended the CDC and All-Parishes Meeting the previous evening. One of the presentations had been on the Government White Paper on Housing and the upcoming review of the Local Plan. From this presentation it was noted that the Government White Paper stressed the importance of the Neighbourhood Plan. The consultation on the process of reviewing the Local Plan was scheduled to take place this Summer starting in May. It was emphasised that Neighbourhood Plans would also need to be reviewed but that this should not happen too soon in the Local Plan Review Process. The sum of £9,000 had been made available for development of each new Neighbourhood Plan. The question was raised as to whether grants would also be available for reviewing Neighbourhood Plans and the CDC had agreed to check this and report back. As usual the presentations from the All Parishes Meeting will be placed on the CDC website and distributed to Parish Councils.

A reminder was given that the Annual Parish Meeting would take place on Thursday 18th May 2017 at 7.00pm to 7.30pm in the Chidham Village Hall.

Finally the Chairman noted that clearance had taken place of the vegetation which had been causing damage to the rear of the Chidham Lane Bus Shelter. He advised that the bus shelter itself would require maintenance in the next few months.

b) District Councillors' Reports

Cllr Penny Plant thanked the Parish Council for its comments in respect of Myles Cullen. Cllr Jonathan Brown (CDC) noted that further to the presentation at the All Parishes Meeting on the Government White Paper and CDC Local Plan it would be beneficial for there to be future consideration as to how parishes might work together to achieve long term infrastructure implementation.

c) County Councillor Report

The County Councillor did not produce a report for this Meeting. It was noted that she was currently within her 'purdah' period for forthcoming County Council Elections.

209-16 Hambrook Waste Recycling Site

The proposals by Cllr Ms Sandra James WSCC for reopening the Hambrook Waste Recycling Site one day a week with the provision of five skips were considered.

- i) Provision of a full financial and logistical appraisal of the project
- ii) Evidence of the support of all other Parish Councils in the locality

Concern was expressed by individual Parish Councillors about the content of the Media and the Equal Opportunities Policies. Strong opinion was expressed that the Media Policy contravened 'freedom of speech'.

- i) **Resolved that** the Policies as set out in the attached report be adopted.

A report from Cllr Andy Collins was received and taken as read. The Parish Council discussed methods to obtain feedback from the local Community in respect of its way in which they would wish their views on the A27 to be represented and also ways to establish the overall consensus of opinion held by residents. It was agreed that Cllr Andy Collins would speak briefly at the Annual Parish Meeting.

Cllr Andy Collins commented that he would not object to another Parish Councillor taking the lead with issues surrounding the A27.

214-16 Community Open Spaces

The Chairman of the Play and Open Spaces Advisory Committee (POSAC) advised that a date for a final site meeting was due to be set with Sam Stone of Taylor Wimpey prior to completion of contracts for transfer of the Open Space area at Hawthorne Meadow to the Parish Council. He advised that negotiations in respect of the Open Space area at the Mildren Homes Site were still much further away.
